

At the beginning of the school year, the Utah Department of Workforce Services, Office of Child Care (DWS, OCC) released the School Age Program Grant. This funding is intended to ensure families have child care options for their school-age children in areas of the state where schools are operating in a virtual setting for a portion of the school week as a result of the COVID-19 pandemic.

The following is a list of programs receiving a School Age Program Grant. For capacity and cost information, parents should contact the program directly. Programs are required to utilize a sliding scale fee structure to ensure families can afford care. Those needing assistance to cover the cost of child care can apply for a subsidy at [jobs.utah.gov/mycase](https://jobs.utah.gov/mycase).

This is not a comprehensive list of all programs that may be located in an area, nor all programs that are supported by OCC. Parents are encouraged to visit [careaboutchildcare.utah.gov](https://careaboutchildcare.utah.gov) to find additional programs and resources regarding child care needs.
